

## **Suggested questions for 2/28 meeting with international students**

[1] Welcome the students and thank them – as we are charged with creating the exemplary international student experience – and they are our experts

[2] Student introductions with an ice breaker – Why did you choose SU?

[3] How can we improve our first contacts with students and their families – when student begin their inquiry into attending SU – what were you looking for – and found and didn't find?

[4] What introduction to the campus and city would have been useful to you while you were still in your home countries – videos, maps, to-do lists?

[5] What did you need and desire on your arrival day?

[6] What did you need and desire from orientation?

[7] What do we need to improve and accomplish during the first semester?

- Courses
- Faculty interactions
- Academic support
- Student interactions
- Social opportunities
- Support services (health, career, financial aid)
- Safety concerns
- Friendships
- Other?

[8] What do we need to improve and accomplish beyond the first semester – and even after graduation?
